

Edwin Black

A profile photograph of Edwin Black, a man with short, light-colored hair, looking towards the right. The background is dark with a soft, out-of-focus light source on the right.

NYT bestselling
human rights
author of

IBM and the Holocaust
War Against the Weak
The Farhud
Nazi Nexus

Forced Vaccinations Past and Future

A riveting presentation by the investigative journalist who documented *eugenics and forced surgical sterilization* in America

Save the Date
AutismOne // May 2018

“Edwin Black is a dangerous man. He tells us things we don’t want to hear.”
Esquire Magazine

Edwin Black is the winner of: International Human Rights Award, Moral Compass Award, Justice for All Award, Moral Courage Award, Drum Major for Justice Award, and special human rights tributes by the Michigan State Legislature and the Department of Defense.
